

What is a cookie?

An HTTP cookie (cookie) is a small parcel of text sent backwards and forwards between a web browser and a website. It is used in a number of ways and there are a number of different types. Cookies contain unique IDs that their origin server recognizes across other websites. It tracks the user's online behavior such as clicks, search history, browsing pattern, mouse movements, device information, and location. It uses this information to utilize them for personalized advertisements, user analytics, or other marketing tactics.

Type of Cookies We Use

Cookies can be "Persistent" or "Session" Cookies. Persistent Cookies remain on your personal computer or mobile device when You go offline, while Session Cookies are deleted as soon as You close your web browser.

We use both session and persistent Cookies for the purposes set out below:

- Necessary / Essential Cookies

Type: Session Cookies

Administered by: Us

Purpose: These Cookies are essential to provide You with services available through the Website and to enable You to use some of its features. They help to authenticate users and prevent fraudulent use of user accounts. Without these Cookies, the services that You have asked for cannot be provided, and We only use these Cookies to provide You with those services.

- Cookies Policy / Notice Acceptance Cookies

Type: Persistent Cookies

Administered by: Us

Purpose: These Cookies identify if users have accepted the use of cookies on the Website.

- Functionality Cookies

Type: Persistent Cookies

Administered by: Us

Purpose: These Cookies allow us to remember choices You make when You use the Website, such as remembering your login details or language preference. The purpose of these Cookies is to provide You with a more personal experience and to avoid You having to re-enter your preferences every time You use the Website.

- Tracking and Performance Cookies

Type: Persistent Cookies

Administered by: Third-Parties

Purpose: These Cookies are used to track information about traffic to the Website and how users use the Website. The information gathered via these Cookies may directly or indirectly identify you as an individual visitor. This is because the information collected is typically linked to a pseudonymous identifier associated with the device you use to access the Website. We may also use these Cookies to test new advertisements, pages, features or new functionality of the Website to see how our users react to them.

Your Choices Regarding Cookies

If You prefer to avoid the use of Cookies on the Website, first You must disable the use of Cookies in your browser and then delete the Cookies saved in your browser associated with this website. You may use this option for preventing the use of Cookies at any time.

If You do not accept Our Cookies, You may experience some inconvenience in your use of the Website and some features may not function properly.

If You'd like to delete Cookies or instruct your web browser to delete or refuse Cookies, please visit the help pages of your web browser.
